Pastor's Blog

You know there is a story in Luke chapter 15 in the Bible about the Prodigal (or lost) son. This man left his father's house to go and seek the high life. He took his inheritance and spent it on wild living. Now there's nothing wrong with having a good time but he left home because he thought the grass was greener on the other side.

How many of us give up the good things we have in the hope of finding something better and then the bubble bursts. We have no money, no friends or family, no hope.

But Jesus came to bring us hope. The story of the Prodigal Son is full of hope because the man realises his mistake, swallows his pride and goes back to his father. The father is so happy his son has returned that he throws a banquet - not just a party - and kills the best of his animals to honour the return of his son.

It's like that with Jesus. He longs for us to return to him. In John 10:10 it says that Jesus came that we might have "..... life in abundance" Won't you consider coming home to Jesus today?

Current Affairs

We are busily preparing for our 5th anniversary celebrations which will take place at Culver Centre on 14 and 15 September. Please do come along and join us. Our theme is "Church and the Community". It will be a great time to celebrate all that is good in Thurrock.

Forthcoming visions

We are seeking a place to call our own. The Culver Centre, where we currently meet, has met our needs for a number of years but we are now seeking to burst forth into the community to serve with many projects we have in mind. More of our vision in forthcoming issues!
